Senior Portraits - Uploaded online by December 1, 2018

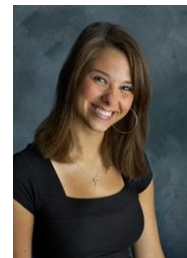

1. Senior Portraits must be submitted online under the Community Upload. From yearbookforever.com, search for Edsel Ford High School. Click on the Community Upload image:  at the top of the page.
2. From the Community Upload page:
 - a. Enter **edsel** as the access code and select Enter.
 - b. Click on Upload Photo and select a photo to upload from your computer or device. Make sure your file is at least 300 dpi (600 dpi is preferred).

IMPORTANT: You must work out with your photographer when you need to be photographed to be able to make the **Dec. 1, 2018 deadline**. You or your photographer must upload your portrait by the due date. This is not the date of your photo shoot. It is the date by which Mr. Pletzke needs the photo uploaded.

The only way to guarantee that your portrait makes it in the yearbook is to personally upload the photo and to check with Mr. Pletzke when the senior pages are posted outside of room 283 in December. Parents of students who do not submit a photo by Dec. 1 will be notified that a photo was not received.

Senior Picture Specifications: Use this portrait as a guide for the below specifications
