Dear Parents,

As part of our ongoing effort to be a good neighbor and keep an open line of communication with our parents, I would like to take a moment to share information with you regarding an event that took place at our school.

Tonight, during our varsity basketball game, there was a scuffle that occurred on the court towards the end of the game. Events got heated really quickly and an altercation occurred. Our staff did an excellent job following our safety protocols while trying to make sure there were no injuries. A few spectators from the visiting team ran onto the court. Our staff were able to stop them from engaging. Some alleged that a spectator from the visiting side made a comment about a “gun”. This statement has not been confirmed. Again, no weapon was found and no one saw any type of weapon, only a report that someone heard the word.

Dearborn Police were immediately called and arrived to help us make sure all fans, players, spectators and families left the school premises safely. Due to our strong partnership with the Dearborn Police, several police officers arrived to help with traffic and to clear the parking lot.

Thankfully no one was seriously injured. The police are looking into and possibly will issue disorderly/assault charges if necessary. We understand that sometimes individuals get heated and this can lead to physical altercations. We ask you to speak to your children about what to do if situations like this arise. Our staff is always concerned for the safety and well being of our students and we pride ourselves on creating a safe environment for your children when they are here at school.

Edsel Ford has always been and will continue to be a safe haven for your children. Working together we will keep our school and neighborhood a great place to live, work, play and learn.

Sincerely,

Ms. Hassan
