Audit reduces a student's credit for a class from 0.5 credits to 0.25 credits for having 10 or more absences in a class. Absences include BOTH excused and unexcused absences. Tardies impact your attendance as well. Every four tardies is an absence If a student does not recover the credit by passing the class, including receiving a 78% or better on the cumulative final exam, the student must attend the class in **night school or summer school** to regain their full credit. Summer school costs \$350 a class and night school costs \$175 a class.
