Pick Up and Drop Off

• For parents who pick-up and drop-off their students, the parking lot off of Pelham is for buses only from 7:15-8:00 am and 2:30-3:15 pm. We are asking all parents to PLEASE not pick up or drop off students from the Pelham side of the building. This is a safety risk to not only students but also our staff.

Dearborn Police will be issuing tickets.

Any parent dropping off or picking up their student should enter the main entrance off of Rotunda or drop off their student at the gymnasium entrance.

Parking Passes

• Parking is not permitted without a parking permit and parking in handicap spots is not allowed. Vehicles will be ticketed. Please be sure to place your parking pass in the front window. Students wishing to park in the student parking lot must have a parking pass. Parking passes are \$20 and can be purchased from the main office.

Lunch

• Edsel High School is a closed campus. No students are to leave Edsel High School for lunch. Any students caught doing so will receive either an out of school suspension or other school consequences. Students are to remain within the school building until their school day is completed based on their schedule. In addition, students are not permitted to order from DoorDash, GrubHub, etc. Parents, we ask you to not order food for your child and have it delivered to the school. This is a safety concern. We do not know who the doordash drivers are and we will not allow them to come into our schools. We appreciate you all adhering and respecting the safety of all of our students and staff.

Vacations/Audit

• Please remember this year school ends on June 7th. There will be finals that week. Finals are required in person. Please plan your vacations after school lets out. No student will be excused from taking finals especially if they are on audit per the Administrators. Students/families who choose to leave for an early vacation must know that comes at a risk for students to receive a lower overall grade as well as may go on audit or even possibly receive an E letter grade. Audit reduces a student's credit for a class from 0.5 credits to 0.25 credits for having 10 or more absences in a class. Absences include BOTH excused and unexcused absences. Tardies impact your attendance as well. Every four tardies is an absence If a student does not recover the credit by passing the class, including receiving a 78% or better on the cumulative final exam, the student must attend the class in **night school or summer school** to regain their full credit. Summer school costs \$350 a class and night school costs \$175 a class.
