Dear Parents,

As part of our ongoing effort to be a good neighbor and keep an open line of communication with our parents, I would like to take a moment to share information with you regarding an event that took place at our school.

Today, a couple of students thought it would be funny to use an orbeez gun (a new type of play water gun) in the parking lot as a joke amongst friends. Our school resource officer was on location and was able to detain the student and ticket him. The student will also face school discipline. Thankfully no one was seriously injured as a result of these students playing around.

Our school takes all measures in regards to student and staff safety seriously even when the students' intention is not to cause harm. Incidents like this can cause panic and we want to make sure to communicate that this type of behavior is unacceptable.

Please use this event as an opportunity to talk with your children about what is appropriate and what is not appropriate. Any form of "play" that may cause others to feel unsafe will result in suspension and a ticket issued by the Dearborn Police for disorderly conduct. Our staff is always concerned for the safety and well being of our students and we pride ourselves on creating a safe environment for your children when they are here at school.

Edsel Ford has always been and will continue to be a safe haven for your children. Working together we will keep our school and neighborhood a great place to live, work, play and learn.

Sincerely,

Ms. Hassan

Principal
