

# Edsel Ford Class of 2025 Senior Party

*"Children are the living messages we send to a time we will not see." — John F. Kennedy.*

Dear Friend:

Edsel Ford High School has a long tradition of providing a fun, safe, chaperoned "Senior Night Party" for seniors the night of their graduation. This tradition ended during the pandemic, however we are now looking to re-establish the party for the Class of 2025. This year it will be on Wednesday, June 4 after graduation. It is an opportunity to celebrate students' academic accomplishments as well as give them one last chance to come together safely as a class before moving on to the next season of their lives.

Parents of the Class of 2025 have begun working on creating a safe, epic lock-in evening of games, food, prizes, and entertainment for the students but we can't do it without the community's support. It is only through the generosity and support of local businesses, organizations, parents, relatives, and friends that this Senior Party can be accomplished. We have a short timeframe to come up with funds to make the party a success, so we need help to make this party fun and affordable to our kids. Here are some ways you can help make Edsel Ford's High School's Grad Night a success:

- Make a monetary donation (via check or online)
- Donate "prize" gift cards or gift certificates
- Donate merchandise or food for the event
- Sponsor an activity for the night, which includes name recognition at the event and on our social media

Donations to our Senior Party are all tax deductible through our partnerships with the Dearborn Education Foundation and the Edsel Ford PTSA. For checks or physical merchandise donations, please complete the form below and once the donation/gift is received and processed, a donation receipt with the federal tax id will be emailed to you. Receipts are also sent automatically for online donations. Our goal is to raise \$20,000. No gift is too small; small gifts add up and make big gifts! Thank you for your consideration. These students have endured much these past five years; we look forward to giving them a positive and unforgettable night to finish their high school career.

For any questions, please feel free to contact Senior Party Chair Robbin Makled at 313-319-7199 or [robbin.tenglin@gmail.com](mailto:robbin.tenglin@gmail.com). Thank you for supporting these extraordinary students!
